## ASCOT SOARS IN GSAT RESULTS

Ascot Primary has been steadily surpassing and matching the National averages on GSAT results. Our dedicated teachers are pulling out all the stops to realize the dream of being one of the top 5 primary schools in Jamaica. Recent polls have shown us to be an Emerging school and at our current level we are 33 in the entire country from an 80% poll result.

## Grade 4 Mock Literacy

At the conclusion of our third Mock Literacy exam for the performing 4<sup>th</sup> grade students that are currently in 5<sup>th</sup> grade, of the 197 students that performed, **over 90% have attained mastery** of the subject area leaving almost 8% at almost mastery and 4% at non mastery. The resulting factors of these figures is that we are going to have an extremely high GSAT result for years to come.

## JCDC 2014 Arts: Festival Speech & Drama

Having entered into the competition with 5 pieces, limited resources and an unyielding cultural team; we were able to emerge with 1 GOLD & 4 SILVER medals for our efforts. Way to go team. We intend on getting all gold medals in next year's competition.

## TAG DRIVE

Our tag drive has commenced and part proceeds will go to school development. Prizes will range from Tablets, Cell Phones and Theme park passes. Contact the office for further details

## Empowering Boys & Girls

We embarked on a new program geared at mentorship to mold our boys and girls into being more empowered and discipline young adults. We feel that division and a more direct model may prove to be effective. More to come.
